Our Mission
Smithsonian Media exists for the sole purpose of increasing and diffusing knowledge. We are boundless in our expression across platforms and our topic areas are limitless.

Our Audience
The Smithsonian Audience possesses boundless curiosity which drives them to act. They are truly engaged people who make a contribution to society and expect to leave this world a better place than when they got here. These independent, influential thinkers trust us to present factual, well-researched and insightful information that they consume and share with their friends, colleagues and communities. They expect us to surprise and delight with ideas and information that sparks their curiosity.
Smithsonian.com Overview

Smithsonian.com celebrates the creators, innovators and idea-makers who drive us forward to the future. Smithsonian.com reaches influentials across the web, engages them with what they want and need to know, and gives them inspirational ideas, insights, and information to share.
